Mid confusion, congestion, contamination, and conjugation, we meet! We dedicate ourselves to the proposition that there shall be a 1950 Mirror--regardless of cost, F's, or hours. With glasses (both for eye sight and Cokes), pencils, typewriters, and permissible profanity we have dunnit! Here is the pride and joy in all its glorious nostalgic morbidity--remember your staff!

Student Council

Vice-President.....Mack Brankley
Treasurer.....Margaret Ozlin

Secretary.....Frances Roberts
Sponsor.....Mrs. Garland Owen

The Student Council is a form of school government, consisting of fifteen members elected from the high school student body in a general election. The main projects of the Student Council for the school session 1949-1950 are: the sponsoring of a May Day, and the improvement of conduct in assembly programs. Another item they plan to include on their program is the distribution of Student Council handbooks to all high school students.

The Beta Club

The Beta Club is a leadership-service organization for high school students. It has as its ultimate aim to stimulate and assist its members to continue their educations after high school. Being eligible to be a member of this club is an honor to anyone since its membership is based upon good mentality and character, creditable achievement and a commendable attitude.

The Beta Club of Chase City has done much to further its service to the school and community. It sponsors Bangle Day of the National Tuberculosis Association each year. Also it assists in the library and sells school supplies. As well as participating in these activities Beta members are active in other clubs. There are thirteen Beta members active on the Highlights Staff, sixteen in the Dramatic Club, seven on the Student Council, ten on the Annual Staff, and twenty in the Choral Club. Besides being active in club activities many Beta members are outstanding in sports.

Highlights

Highlights is a combination newspaper-magazine issued monthly in mimeographed form by certain Chase City High students who enjoy collecting money for ads, nosing into other people's affairs, pecking on typewriters, and wandering around the campus (or dashing madly to the third floor) with ink on their noses. To be a sponsor or an officer for this organization, one has to be voted the "nosiest" and "gossipiest" in the school. The preceding sentence was composed by the Mirror sponsor. 'Nuff said.

Choral Club

The CHORAL CLUB of Chase City High School for 1950 is one of the largest choral groups organized here in recent years. Under the competent guidance of its director, Mrs. Claude Owen, the club has performed excellently on several occasions including the Dramatic Club's "Christmas Program." The group meets, with the sponsor, the first period of every Monday morning. No officers have been elected this year.

The Latin Club

The Latin Club, made up of first and second year Latin students of Chase City Hi, lists for its activities of this year the initiation of Latin I students, a Clean-up Campaign, and the annual picnic for its members. The sponsor is the Latin teacher, Mrs. G. M. Owen.

The Dramatic Club

The Dramatic Club, under the sponsor-ship of Mr. M. J. Weiss, was organized this year and is seemingly on its way to success having presented two one-act plays and at the time of this printing is casting for three more. The group meets twice weekly and rehearses nightly during productions. This group will compete with other clubs in this district for representation in the state contest for one-act plays.

Teen Canteen Board of Directors

The Teen Canteen meets every Saturday at the American Legion Hall. It has sponsored a Football Day in honor of the high school football team with a parade and dance. It has sponsored an informal dance, a tacky party, and a Valentine party this year.

The F. F. A. Chapter is an organization which thrives to better the home, improve the farm, help the boys in co-operation and develop leadership. Three boys went to the National F. F. A. Convention at Kansas City, Mo. They were Billy Park who represented the Southside Federation, Ed Rutledge, who represented the Chapter of Chase City, and Manual Black who won his trip for State Field Crop Judging. Our chapter is proud of three boys that are headed to the top in forestry judging. They are Hal Boldin, Harold Boldin, and Alton Hipps. They have won in the county, and district meet and are working to win the state contest at Lynchburg in the spring.

SPORTS
11

Football

Winning three games, Chase City Hi's Bluedevils, this year captured the county championship. Although the victories were few and the injuries many, Coach Cooper's boys showed enough zip to be promising hopefuls for next season.
